COOKIE POLICY

Introduction
Like most websites, we use cookies to help make browsing more convenient for you. For example, the next time you visit the website, it will automatically load the page in the language you've previously selected by reading the information from the cookie so you don't have to select your preferred language again.
A cookie is a small amount of data generated by a website and saved by your web browser. Its purpose is to remember information about you, similar to a preference file created by a software application.

Types of Cookies
Analytics Cookies
Analytics cookies monitor how users reached the Site, and how they interact with and move around once on the Site. These cookies let us know what features on the Site are working the best and what features on the Site can be improved.

Third-Party Cookies
